**Government Contracting
Services Group**

What Makes Us Different ?

Founded in 1989, Gaffey & Associates is dedicated to providing professional services that exceed our client's expectations with the delivery of solutions that are custom-tailored to their specific need. Our personal approach addresses your needs, challenges and opportunities with advice, action and accountability.

- We listen to you.
- We recognize that "one-size" doesn't fit all.
- We coordinate our extensive resources to your needs.
- Our people have "been there, done that."
- We work to become an integral part of the day-to-day management process.
- We are thoroughly committed to your success.

What We Do Best?

The Government Contracting Services Group provides hands-on assistance and business advisory services in most areas of government contracting and government procurement regulation compliance. Service areas where our experience, knowledge and innovative thinking puts us ahead of our competition include:

- Design and preparation of indirect cost rate proposals and cost allocation plans that:
 - Facilitate the management decision making process
 - Maximize cost recovery and improve profitability
 - Improve your competitive position
 - Meet regulatory compliance requirements
- Preparation, submission and negotiation of Requests for Equitable Adjustment to your contract pricing, schedule or both.
- Establishment and maintenance of compliant business systems and effective internal controls.
- Performance of business process analysis and operations improvement reviews to identify and prioritize key business risks.

Whatever your government contracting needs contact us and tap into a resource that can help you succeed in a very competitive marketplace.

We can be reached by contacting Sam Davidson at 703-748-5816 (w), 703-303-2701 (c) or via email at samuel.davidson@gaffeycpa.com.
